

ENTOMOLOGY GRADUATE MAJOR (MA, MS, PHD)

Graduate Areas of Concentration

Entomology

The Entomology Graduate Program offers qualified candidates opportunities for graduate study and research leading to the Master of Arts, Master of Science, and Doctor of Philosophy degrees. In keeping with traditional areas of strength at the university, a number of major research programs in entomology deal with problems in agriculture, forestry, and environmental quality. Integrated pest management techniques are emphasized in the solution of many of these problems.

For additional information on the Entomology Graduate Program, see the program website (<http://entomology.oregonstate.edu/>).

Major Code: 5350

There are no specific course requirements for entomology graduate degrees. Each student will work with their major professor and/or graduate committee to establish a program of study.
