

WILDLIFE MANAGEMENT GRADUATE CERTIFICATE

Also available via Ecampus.

Current Graduate Students: You must notify the Department of Fisheries and Wildlife of your intention to pursue this certificate. Upon consultation with the certificate program coordinator, you will be given instructions regarding listing courses on your program of study and obtaining the required signature for that form.

For more information, please see our program site at <https://ecampus.oregonstate.edu/online-degrees/graduate/wildlife-management/>, the departmental website at <http://fw.oregonstate.edu>, or contact Certificate Program Director Dr. Bruce Dugger and Graduate Program Coordinator Dr. Susie Dunham at fw.gradadvising@oregonstate.edu.

The certificate requires:

- A minimum of 5 courses and 18 credits of total course work;
- A Capstone Project (applying knowledge and skills to a wildlife management issue), equivalent in time and effort to a 3-credit course (FW 506 PROJECTS);
- A minimum of one course from the Human Dimensions area;
- Three to four courses from the Wildlife Sciences and Management Subject Area
- For further information, please see our website or email: fw.gradadvising@oregonstate.edu. (fw.gradadvising@oregonstate.edu)

Courses are offered through Corvallis, at Hatfield Marine Science Center, and through Ecampus. Check the course catalog and schedule of classes for location and term offered

Code	Title	Hours
Capstone Project- Required
