

TURF AND LANDSCAPE MANAGEMENT MINOR

The Turf and Landscape Management minor is an effective way for students, including majors outside of the College of Agricultural Sciences, to meet their interests. The two areas of focus, turf or landscape, allow students to tailor their course work to personal goals.

Minor Code: 147

Students must receive a grade of C– or better in all HORT and PBG courses taken to complete the minor.

Code	Title	Credits
Required Core		
HORT 112	INTRODUCTION TO HORTICULTURAL SYSTEMS, PRACTICES AND CAREERS	2
HORT 301	GROWTH AND DEVELOPMENT OF HORTICULTURAL CROPS	3
Select one course from the following:		4
