FINANCE GRADUATE OPTION

This option is offered within the following major(s):

- Business (MSB) - College of Business (http://catalog.oregonstate.edu/college-departments/business/business-msb/)

Also available via Ecampus.

Finance is the study of access to and use of money and capital. Students of finance study how individuals, businesses, and public entities access financial markets, make investment decisions for the use of scarce financial resources, and monitor stakeholder behavior associated with these financing and investment decisions. The MSB is a STEM-designated degree, with a strong quantitative and analytical focus that can lead to a wide range of career opportunities.
