

URBAN FOREST LANDSCAPES OPTION

* Baccalaureate Core Course (BCC)

^ Writing Intensive Course (WIC)

Option Code: 685

This option is offered within the following major(s):

- Natural Resources - College of Forestry (<http://catalog.oregonstate.edu/college-departments/forestry/forest-ecosystems-society/natural-resources-bs-hbs>)

Available via Ecampus.

This option will help students understand the complexities surrounding the culture and management of urban forest ecosystems. It includes an examination of the economic, social, and environmental benefits and values of trees in urban areas, and the relationship between people and trees.

Minimum of 40 credits with 20 upper-division credits required.
