

# GERMAN UNDERGRADUATE MAJOR (BA, HBA)

Also available via Ecampus.

Individualized development of German language proficiency and intercultural competence via intensive content-based language learning following the Common European Framework of Reference for Languages.

Major Code: 930

- Demonstrate Intermediate-High or equivalent proficiency on an officially certified oral examination in a language other than English.
- Read and analyze written literary and nonfiction genres from multilingual and non-English speaking cultures in their original language.
- Understand, analyze, and interact with visual and multimodal genres such as film, video, and social media from multilingual and non-English speaking cultures.
- Explore and reflect on the experiences of members of linguistic or cultural communities that have been historically marginalized due to race, gender, sexual identity, social class or other social constructs.
- Understand, analyze and reflect on personal identity and positionality in global/polycultural contexts.
- Describe ways in which linguistic behavior is used to reinforce social identities.
- Understand and explain the concept of colonialism and identify its social and economic effects in different parts of the world.
- Demonstrate understanding of the nature of nationalism and its effects on relations within and between countries.
- Describe the role of language in creating and maintaining systems of ideological and social control.
- Interact with community organizations affiliated with multilingual and non-English speaking communities.
- Experience everyday life in multilingual and non-English speaking communities for at least one full term.
- Integrate academic topics from the classroom with multilingual/polycultural interpersonal relationships.

Required courses may not be taken S/U. Majors are required to complete each required course with a grade of C or better.
