All prospective majors and minors must see a departmental advisor at least once a year.

WLC majors must participate in an OUS and OSU-approved study abroad program or in an approved internship experience in a French-, German-, or Spanish-speaking country or fulfill this requirement as determined by the director.

Students who do not find an OSU-approved program (this includes OUS and other programs run through IDEA and OUS) that fits their academic and/or geographical needs can petition to have a different program approved by a sub-committee of the Study Abroad Advisory Committee. The requirement for petitioning a program must include an academic and/or geographic reason why a student is choosing a program that is not on the approved list.
