

# ENVIRONMENTAL AND NATURAL RESOURCE SOCIOLOGY OPTION

This option is offered within the following major(s):

- Sociology - College of Liberal Arts (<http://catalog.oregonstate.edu/college-departments/liberal-arts/school-public-policy/sociology-ba-bs-hba-hbs/>)

Also available via Ecampus.

The option is designed to provide students with the ability to apply social science concepts and approaches to better understand relationships between societies and their bio-physical environment from a sociological perspective. This option has great relevance for sociology students aspiring to careers in natural resource and environmental policy, planning, management, and education, as well as preparation for advanced/graduate programs related to environmental law and environment/natural resource sociology or policy.

**Option Code: 642**
