

ENGLISH MINOR

Also available at OSU-Cascades.

Students in the English Minor study the texts of great writers of fiction, non-fiction, poetry, and critical analysis. You'll learn the history of literary expression from the medieval period through movements like Romanticism and Post-Modernism. You'll write everything from occasional pieces to complex research papers and you'll read widely in order to write deeply. Faculty provide detailed feedback on your own creative, interpretive, and purposeful compositions in genres ranging from freewriting.

Students will also learn how to write effective arguments about a variety of literary and cultural texts, use their newfound skills in information literacy to plan and conduct research in English, and recognize and interpret a wide variety of texts and genres. An English minor is a great accompaniment to any other major at OSU.

Minor Code: 890
