

HEALTH SYSTEMS AND POLICY GRADUATE OPTION

This option is offered within the following major(s):

- Public Health - College of Public Health and Human Sciences (<http://catalog.oregonstate.edu/college-departments/public-health-human-sciences/public-health-mpH-phd>)

In the Health Systems and Policy graduate option of the MPH program, students will develop the ability to think about public health problems in practical ways using sound conceptual frameworks. Public health problems will be viewed from the perspective of those who receive, provide, finance and regulate care.
