

# ATHLETIC TRAINING GRADUATE MAJOR (MATRN)

---

The Athletic Training graduate major is a two-year program leading to the Master of Athletic Training degree, MATRN.

Upon graduation, students are eligible to sit for the Board of Certification examination. Successful completion of this examination is the prerequisite to obtaining registration as an Athletic Trainer in the state of Oregon.

The clinical education of students in the athletic training program primarily takes place during rotations with various OSU intercollegiate athletic teams, some of the most culturally diverse groups on the OSU campus. This experience helps students develop sensitivity to varying cultures, strategies for overcoming potential cultural barriers to communication, and interpersonal skills that serve them well outside the campus community.

## Major Code: 2440

Code	Title	Credits
KIN 509	PRACTICUM	19
KIN 510	INTERNSHIP	26
KIN 511	INTRODUCTION TO ATHLETIC TRAINING	4
KIN 520	ORTHOPEDIC ASSESSMENT OF UPPER EXTREMITY INJURIES	4
