

HEALTH MANAGEMENT AND POLICY OPTION

This option is offered within the following major(s):

- Public Health - College of Public Health and Human Sciences (<http://catalog.oregonstate.edu/college-departments/public-health-human-sciences/school-social-behavioral-health-sciences/public-health-bs-hbs>)

The Health Management and Policy option provides training and skills in the management of public health and health care programs and agencies, and in the analysis of public health policies. The program is appropriate for those who want to manage health programs in a wide range of institutions, both public and private, and is particularly well-suited for students interested in the business aspects associated with the delivery and financing of health services. Students can also focus on administration in assisted living facilities, continuing care retirement centers and nursing homes, and receive a Certificate in Gerontology.
