

PUBLIC HEALTH MINOR

Also available via Ecampus.

The Public Health minor provides students with a general background in public health. Students pursuing a Public Health major cannot add the Public Health minor.

Minor Code: 496

Students with this minor may not take any of the required courses listed below with S/U grading and must earn a grade of C- or better in all minor coursework and prerequisites, including the 'any other H course' requirement. Students may, however, take additional public health courses not required for the minor with S/U grading.
