ES 583. CUBAN CULTURE, POLITICS AND SOCIETY. (4 Credits)
One of two courses that comprise the Cuba Study Abroad Program. It introduces students to Cuban culture, politics (and particularly Cuba-U.S. relations during and after the Revolution) and arts via a combination of lectures/lessons led by invited specialists in their fields, readings, films and student activities. Students will learn about a variety of topics including migration, agriculture, health care, education, economics, religion/spirituality, gender, race, and the arts (literature, music and other performance). Given the interdisciplinary approach to this course, students will also be able to focus on other topics of interest to them/their program of study. CROSSLISTED as PS 583 and WLC 583.
