HOW TO READ THE SCHEDULE OF CLASSES

Registration instructions can be found on the Office of the Registrar website (https://registrar.oregonstate.edu/registration/).

Courses in the Schedule of Classes are arranged alphabetically and numerically by course designator or subject code. For example, ENG for English, MTH for mathematics.

Courses with Labs/Recitations/Studios

If a course lecture is 'linked' to a noncredit lab or recitation or studio, you must register for all parts of the course. Web registration will not permit you to register for one part without the other. Likewise, you may not drop only one part of a 'linked' course; if you do so, the other part will be dropped automatically. If you want to change one part of a multi-part course, you should drop the part and add a new part at the same time before processing your requested changes. Be sure to process the request after specifying the drop and the add.

Course Numbers

100/200 = Lower Division, Undergraduate

300/400 = Upper Division, Undergraduate

500 = Graduate, primarily Master’s

CRN

The unique Course Reference Number identifying each class.

Cr = Credit

All credits listed in the Schedule of Classes refer to quarter credits.

If a course is taught for variable credits, for example 1 – 16 credits, Web registration will prompt you to enter the correct number of credits for which you want to enroll. If you need to change that number later, you may do so via the Web.

NSHD
No-show-drop will appear in the Comments column. A student who is registered for such a course who attends no meetings of the course during the first five school days of the term will be dropped from the course by the instructor, unless the student has obtained prior permission for absence. See Academic Regulation 9b (https://catalog.oregonstate.edu/regulations/).

P/N = Pass/No Credit
A class is graded A–F unless P/N appears, in which case Pass/No Credit grading applies.

All courses registered via the Web are given the A–F or P/N grade option as appropriate. Any change of the A–F option (to S/U) is done in-person at the Office of the Registrar after completing the Change of Grading Basis form (http://oregonstate.edu/registrar/forms/). The deadline for these changes is the end of the 7th week of classes. See the Academic Calendar (http://registrar.oregonstate.edu/osu-academic-calendar/).

Registration Restrictions
Prerequisites
Prerequisites provide the background necessary for successful performance in a course. Students may attempt a course without having prerequisites if they have obtained the consent of the instructor to do so. If the instructor’s consent is not obtained, then students who have not fulfilled published prerequisites may be disenrolled from the course during the first week of classes.

Departmental Approval
Special approval is required for this course; the student requests an ‘override’ from the department teaching the course, and then the student registers for the course.

+/-
+ indicates ‘only.’ For example, under class limitation +1 means only freshmen, – indicates ‘no.’ Under college limitation, –1,7 means no students from College of Agricultural Sciences or the College of Pharmacy may register.
