ACADEMIC REGULATIONS

Introduction

These regulations and procedures are published to assist students by providing information that is essential for planning and pursuing their academic programs. Continuing efforts are made each year by the students, faculty, and administration to revise and improve these regulations in order to enhance the quality of the university’s programs and the achievement of educational goals.

Every student is responsible for knowing the academic regulations and for observing the procedures that govern their relations with Oregon State University. Unless otherwise specified, these regulations apply to both undergraduate and graduate students. Any question regarding these regulations that cannot be answered by a student’s academic advisor should be referred directly to the Office of the Registrar (B102 KAd).

Additional information regarding Graduate School policies should be addressed to the Office of the Graduate Dean (A300 KAd).

Some students encounter special problems whose proper solution may require deviations from the academic regulations or procedures. Requests for such deviations in the regulations below must be presented to the Office of the Registrar on petition forms, which are available in that office. Petitions received by the registrar will be forwarded to the proper committee or office for review and appropriate action. Requests for deviations from Graduate School policies should be presented by letter to the graduate dean (See the Graduate School section of this catalog).

Other special problems may involve academic issues such as academic freedom in the classroom or evaluations of a student’s academic performance. All students should appeal academic grievances first to the instructor of the course and then to the chair or head of the academic unit in which the course is offered. If the situation is not resolved to the student’s satisfaction, an undergraduate student should consult with the head advisor of the college in which the course is offered to obtain further information about appeal procedures of the college or university; a graduate student should consult the dean of the Graduate School regarding academic appeal procedures above the departmental level. (Appeal procedures for other than academic grievances, e.g., grievances regarding student employment, financial aid, housing, discipline, human rights, etc. are outlined in the Student Life Policy and Regulations, which are available on the OSU website under “Student Conduct” or from the Office of Student Leadership and Involvement, 202 Memorial Union. Some of these regulations pertain to both undergraduate and graduate students. The Graduate School section of this catalog outlines both academic appeal procedures and those relating to the employment of graduate students.)

AR 1. Admission for Nondegree Students

a. Nondegree enrollment status for undergraduate students is designed for students who wish to take undergraduate classes, but do not wish to pursue a degree or a specific postbaccalaureate credential. Nondegree undergraduate students are limited to taking a maximum of 8 credits per term. Nondegree Ecampus, International Exchange, credential and certificate students are not limited to 8 credits per term.
b. A maximum of 36 credits attempted as a nondegree undergraduate student may be used to satisfy Baccalaureate degree requirements upon admission as a degree-seeking student. The most recent 36 credits (or all credits if fewer than 36) will be applied to the Baccalaureate requirements.
c. Nondegree enrollment status for graduate students is designed for students who wish to take graduate courses but do not wish to pursue an advanced degree. Nondegree graduate students are not limited as to the number of courses (credits) taken per term.
d. Credits earned while enrolled as a nondegree graduate student will not necessarily apply to a graduate program upon admission to degree-seeking status. The student should refer to the admission requirements given in the Graduate School section of this catalog. Communication with the Graduate School and specific academic programs is advised.
e. Nondegree students seeking admission to a degree program may do so by filing an undergraduate, postbaccalaureate, or graduate application for admission.

AR 1 revised by Faculty Senate academic year 2012–2013.

AR 2. Credit from a Two-Year Institution (Undergraduate Students)

a. College Transfer Credits: Oregon State University accepts for credit toward a baccalaureate degree all college transfer work completed at an Oregon or other regionally accredited community college up to 124 lower-division quarter credits. For Institutional Requirements for Baccalaureate Degrees, see AR 25. Students are encouraged to work with the relevant academic unit to ensure that transfer credits meet department and college requirements for the degree. It would be unlikely for an individual student to be able to use all 124 credits toward an OSU baccalaureate degree. Credit transfer and grades are not used in calculating the OSU cumulative GPA. Students who hold OSU-approved direct transfer degrees from Oregon or other regionally accredited community colleges (e.g., the Associate of Arts Oregon Transfer) or who have 90 or more credits accepted in transfer will be granted junior standing. Students who hold OSU-approved direct transfer degrees will be considered to have met the Perspectives and Skills (except WIC) areas of the Baccalaureate Core. In addition, they must complete the upper-division Synthesis areas of the core. Students transferring from Oregon or other regionally accredited community colleges who do not hold approved direct transfer degrees ordinarily will be given baccalaureate core credit in the Perspectives and Skills area on a course-by-course basis for work that is judged to be equivalent in content.
b. Transfer of Professional-Technical Credits: a maximum of 12 quarter credits (8 semester credits) of professional-technical course work applicable in an associate's degree or certificate program at a regionally accredited institution can be accepted upon admission to OSU as general elective credit (graded as Pass) and as part of the 124-quarter credit total that can be applied toward a baccalaureate degree.
c. Transfer of Professional-Technical Course Credits through Articulation Agreements: Lower-division OSU credit may be awarded for specific professional-technical community college courses when those courses are validated by articulation agreement with the appropriate OSU department. This may be above the 12 quarter credits of general electives (graded as Pass) allowed when a student is admitted to OSU. Credit will be awarded only upon the recommendation of the appropriate department and college, and approval by the Curriculum Council. Community college professional-technical course work is not equated to upper-division OSU course work. These course credits will count as part of the 124 quarter
AR 7. Maximum and Minimum Registration

1. The minimum number of credits for which a full-time undergraduate student may register is 12, and the maximum is 19, regardless of the method of grading used for the classes selected. (In determining the load for students not normally held responsible for physical education, the credits in activity courses in physical education will be disregarded.) The maximum may be extended:
   a. Up to and including 24 credits when a student has completed in their most recent term at least 12 credits in courses other than those graded P/N and S/U with a grade-point average of 3.00 or better or when a student has filed with the registrar a petition approved by their advisor and college dean (or head advisor).
   b. Over 24 credits by petition approved by a student's advisor and college dean (or head advisor) and the Academic Requirements Committee and filed with the registrar.

2. The minimum number of credits for a full-time graduate student is 9; the maximum is 16. The maximum can be extended by approval of the dean of the Graduate School.
   a. Degree-seeking graduate students must take a minimum of 3 credits for any term in which they are enrolled.
   b. The following FTE and credit allowances are permitted for graduate students holding an academic appointment.

Appointees on graduate assistantships are limited to the above credits during each term.

AR 8. Late Registration

Registration is permitted through the second full week of classes each term. Late fees are assessed in accordance with the fee policies stated in the 'Tuition, Fees and Payment' (http://catalog.oregonstate.edu/fees-residency-requirements) information in the Academic Catalog.

AR 9. Admission to Class

a. Instructors will receive lists of students in their classes within two days after the opening of the term. Subsequent lists will include the names of later registrants. Students whose names appear on these lists are officially registered; others are to be referred immediately to the Registrar's Office for completion of registration.

b. If it is anticipated that the demand for enrollment in a given course will exceed the maximum number that can be accommodated, the department offering the course may designate it in the Schedule of Classes with the code "NSHD" (no-show-drop). A student who is registered for such a course who attends no meetings of the course during the first five school days of the term will be dropped from the course by the instructor, unless the student has obtained prior permission for absence. If such action is taken, the instructor will send written notice through the department to the Registrar’s Office, which in turn will notify the student that the course has been dropped from their schedule. Students should not assume they have been dropped unless they receive notification from the Registrar’s Office. No fee will be charged.

AR 10. Eligibility

To be eligible to hold office or to participate in any extracurricular activity supervised by Oregon State University, students must meet certain requirements.

1. For student activities, students are responsible for following the Student Life Policy and procedures.
2. For participation in intercollegiate athletics, students must meet all institutional Pac-12 and NCAA requirements. Students should contact the Compliance Office in the Department of Intercollegiate Athletics on all such matters.

AR 11. Adding and Dropping Courses

1. Students may add courses through the second full week of classes each term, depending on the nature of the course and the availability
of space. From the end of the first full week of classes to the end of the second full week of classes, permission (signature) of the instructor offering the course must be obtained.

2. A student may drop courses without responsibility for grades through the end of the first full week of classes. After the drop deadline courses may not be dropped. Failure to drop a course properly will result in an F grade being recorded; courses properly dropped do not appear on the student’s transcript.

3. Add/drop fees are assessed in accordance with the fee policies stated in the ‘Tuition, Fees and Payment’ (http://catalog.oregonstate.edu/fees-residency-requirements) information in the Academic Catalog.

AR 12. Withdrawal from Individual Classes

Any student may withdraw from a maximum of 121 individual OSU credit bearing classes throughout their undergraduate career2 at OSU3. Any student may petition for an exception from this limitation if the justification for withdrawal is clearly associated with circumstances beyond the student’s control. Withdrawal from a class with a W grade begins after the drop deadline, which is the first full week of classes, and continues through the end of the seventh full week of classes. After the seventh full week of classes, students are expected to complete the program attempted and will receive letter grades (A, A–, B+, B, B–, C+, C, C–, D+, D, D–, F, S, U, P, or N) for all classes in which enrolled unless they officially withdraw from the term. Procedures for withdrawal from individual classes can be found on the Office of the Registrar website.

1 Withdrawal from the term, as defined in AR 13, is not included in the maximum of 12 individual OSU classes.

2 This regulation applies to undergraduate, postbaccalaureate, and nondegree undergraduate students.

3 The maximum withdrawal count will begin for all students starting fall 2012.

AR 13. Withdrawal from the Term

a. Any student is entitled to Withdraw from the Term up to four times without prejudice prior to the beginning of finals week. The student may accomplish this by completing the online withdrawal survey available through online services. Withdrawal from the term prior to the beginning of finals week will result in the grade of W being recorded for each course for which the student is registered.

b. When a student’s academic progress is interrupted by an emergency situation such as serious illness, accident, or death of a family member, and the emergency situation occurs within the last four weeks of the term, and the student submits evidence to the college head advisor, then the student will work with academic advisors, faculty members, student care teams or Ecampus student services, depending on the complexities of the circumstances to determine an appropriate course of action to determine the grades for the term.

c. Undergraduate Planned Educational Leave Program. The Undergraduate Planned Educational Leave Program (PELP) is a voluntary, temporary, planned interruption or pause in a student’s regular, full-time education. Its purpose is to enhance an undergraduate student’s prospect of successful completion of their academic program. The PELP provides one opportunity1 for a student to arrange a voluntary absence for as many as six consecutive regular academic terms (not including summer terms). The PELP is designed to allow a student to pursue other activities that will assist them in clarifying their educational goals, such as job opportunities and experiences away from campus, military deployment, time to resolve personal or medical problems, or other similar pursuits. The PELP allows an undergraduate student to temporarily suspend their academic work for a period of time (in accordance with AR 13a and 13b), and resume their studies with minimal procedural difficulties. The PELP $25 non-refundable application fee allows an undergraduate student to maintain their official standing as a student at OSU and reserves the student’s right to keep their original academic catalog2 active during their absence. Beginning with the 2011–2012 academic year, all OSU undergraduate students3 are eligible to request leave through the PELP. The university reserves the right to consider a student’s current academic standing and any existing student conduct issues prior to approving the voluntary PELP leave request. Students who withdraw from OSU prior to the 2011–2012 academic year and who are away from campus for four or more consecutive regular academic terms (not including summer terms) must re-enroll with OSU to re-establish their relationship as an OSU student and their academic catalog will be reset to the academic year they return to OSU.

Transcript Notation

A notation of the dates of any approved leave will be indicated on each student’s official transcript.

1 Military deployments are an exception to this limitation. All military personnel who are deployed for military service may submit a voluntary leave request for each deployment.

2 In accordance with the university’s catalog policy contained in the Academic Catalog.

3 The PELP began with the 2011–2012 academic year (Summer 2011). Any former OSU students who attended OSU prior to the 2011–2012 academic year and have been absent for four or more consecutive regular academic terms will be held to OSU’s prior policy that resets the academic catalog to the catalog in effect at the time they return to OSU.

AR 14. Attendance

Attendance is one of the most important factors in a student’s academic success. Therefore, an instructor may consider attendance as part of a course grade. If attendance is used in determining the student’s grade, how attendance shall be used needs to be defined in the course syllabus by the instructor.

AR 15. Academic Misconduct

Definitions and examples of academic misconduct are outlined in the Code of Student Conduct, Section 4.2.1. (http://studentlife.oregonstate.edu/code)

The administration of the classroom rests with the instructor. When potential academic misconduct comes to the instructor’s attention, the instructor documents the incident and permits the student to provide an explanation. If the matter can be resolved without an academic sanction, no report is necessary. If the instructor believes academic misconduct has occurred and that the violation warrants the application of an academic sanction, the instructor: (a) consults with the unit head, (b) submits an Academic Misconduct Report (AMR) documenting the allegations and indicating the proposed sanction, and (c) informs the student of the action taken. The instructor may recommend any academic sanctions.

Allegations of academic misconduct are reviewed and adjudicated by a college-designated hearing officer (CHO) in accordance with the procedures outlined in the Code of Student Conduct, Section 5.11 (http://
studentlife.oregonstate.edu/code). If the student is not a major in the college in which the course is offered, the CHO of the college in which the student is a major also receives a copy of the AMR.

Depending upon the severity of the violation, or if a record of previous academic misconduct exists, the college and/or university may impose additional sanctions. Sanctions imposed as a result of academic misconduct may be appealed by the student in accordance with the procedures outlined in the Code of Student Conduct, Section 8. (http://studentlife.oregonstate.edu/code)

AR 16. Finals Week
1. No final, midterm, or comprehensive examinations shall be given during the week preceding final examination week. (Examinations on laboratory work, course material covered by "weekly" or "section" quizzes, television courses, ROTC activities, and physical education activities are allowed.)
2. Course work shall continue up to final week. Final examinations shall be given during finals week in accordance with the finals week schedule. If a final examination is not to be given in a course, this action must be approved by the department with notification to the Registrar's Office. Requests for changes in the time of final examinations will be submitted to the Registrar's Office.
3. All student petitions for changes in the time of final examinations must be made using forms available from the Registrar's Office. (A summary of university final examination policy is printed on the form.) Petitions for changing final examinations are submitted directly to the instructor. Students may forward disapproved petitions through the dean of the college to the Registrar's Office. Requests to change the assigned final examination time for an entire class must be approved by the Registrar's Office. Final examinations may not be changed to the week preceding final week without approval of the Academic Requirements Committee.
4. No extracurricular activities or curricular activities other than examinations and final class meetings shall be scheduled during final week.

AR 17. Grades
The grading system consists of twelve basic grades, A, A–, B+, B, B–, C+, C, C–, D+, D, D–, and F. The grade of A denotes exceptional accomplishment; B, superior; C, average; D, inferior; F, failure. Other marks are I, incomplete; W, withdrawal; R, thesis in progress; P, pass; N, no-credit; S, satisfactory; U, unsatisfactory; AUD, audited course; WAU, withdrawal from audited course; NG, no basis for a grade (administratively assigned by the Office of the Registrar, see below); WC, complete withdrawal.

When a requirement of a course has not been completed for reasons acceptable to the instructor and the rest of the academic work is passing, a report of I (incomplete) may be made and additional time granted. The I grade is only granted at the discretion of the instructor. The instructor must submit the grade the student will earn if the missing work is not completed; this is the alternate grade. The alternate grade will become the default grade if the missing work is not completed as part of the contract for completion of the grade. The instructor documents the deficiency and the deadline for completing the missing work. A record of the deficiency shall be kept on file in the unit or department office. The allotted time awarded shall not exceed one calendar year except by petition or the time of the degree conferral, whichever comes first. To remove the I grade, the student must complete the deficiency within the allotted time and the instructor will then submit the appropriate grade.

If the student fails to complete the work within the allotted time, the Registrar's Office will automatically change the I grade on the student's record to the alternate grade submitted by the instructor at the time the I was given. The alternate grade will be included in the grade point average. Under no circumstances shall a student who earns an A–F grade or an N or U grade have their grade changed retroactively to an I grade.

An instructor may move to correct a grade by filing a Change of Grade in the Registrar's Office. Grade changes for students of a permanently separated instructor will be managed by the department chair of the course involved. Upon permanent separation from the university an instructor's change of grade will not be accepted by the Office of the Registrar. The Office of the Registrar will routinely review grade changes.

A student may petition via the Office of the Registrar for an extension of the one calendar year deadline with the concurrence of the faculty. An approved petition will grant an extension of a single additional term, with a maximum of three total extensions being possible. An approved petition for an extension of time to remove an incomplete will be voided at the time of degree conferral.

AR 18. Alternative Grading Systems
In addition to traditional letter grading (A–F), Oregon State University has adopted two alternative grading systems to be employed in accordance with the provisions outlined below:

a. Satisfactory/Unsatisfactory (S/U)
   1. Undergraduate students may elect to be graded on a Satisfactory/Unsatisfactory (S/U) basis in a course (except P/N courses) under the following conditions:
      a. A maximum of 36 credits of those presented in satisfaction of the baccalaureate degree may have been graded on an S/U basis at Oregon State University.
      b. A student normally elects the option S/U at the time of registration. Changes either to or from S/U grading will be permitted through the end of the seventh full week of any term.
      c. A student must obtain the approval of their academic advisor or dean in order to elect to be graded on an S/U basis.
   2. Graduate students may elect to take undergraduate courses on the S/U basis except those courses required for the removal of deficiencies. Graduate courses may also be taken on an S/U basis. (Such courses cannot be used as part of a student's graduate program. All other provisions of S/U grading apply to graduate students.)
   3. A grade of S (satisfactory) shall be equivalent to grades A, A–, B+, B, B–, C+, C, and C–. A grade of U (unsatisfactory) shall be equivalent to grades D+, D, D–, or F.
4. Grades of S or U shall have no grade-point equivalents; hence such grades shall not be included in the computation of grade-point averages. The credit of courses in which an S grade is obtained shall be counted toward graduation. Credits shall not be awarded for U grades.
5. Election of S/U grading for a course shall be known only to the student and the academic advisor. Instructors shall enter on grade forms the traditional letter grade (A–F) earned. Automatic conversion to S grades and to U grades will be made in the Registrar's Office. Grades of I, or W may be assigned wherever appropriate.
6. In compliance with Section III of the Statement on Student Rights, Freedoms, and Responsibilities (dated April 28, 1969), disclosure or nondisclosure of the traditional letter grades received in courses in which S grades were awarded is recognized as an exclusive right of the individual student. The Registrar’s Office is obliged and authorized to honor requests for disclosure, provided that the express consent of the student is obtained.

b. Pass/No Credit (P/N)
1. Those courses in which traditional letter grading has been deemed inappropriate because of the nature of the course content or the objectives of the course are graded on a Pass/No Credit (P/N) basis.
2. Grades of P or N shall have no grade-point equivalents; hence such grades shall not be included in the computation of grade-point averages. The credits of courses in which a grade of P is obtained shall be counted toward graduation. Credit shall not be awarded for N grades.
3. Departments are authorized to designate Pass/No Credit courses, subject to the following guidelines and procedures:
   a. The principal criterion for choice of grading system is enhancement of the educational experience for the student;
   b. The nature, structure, and/or objectives of a course may suggest that the Pass/No Credit grading system be adopted. It is anticipated that courses graded on this basis will generally fall into one of the following categories: skill-building courses or practicums, courses which stress orientation and awareness rather than academic preparation;
   c. The designation of Pass/No Credit grading for a course will follow the academic college’s recommendation and approval by the University Curriculum Council, and in the case of graduate courses, by the Graduate Council. Designation of courses for P/N grading must be completed prior to the opening of registration for the term in which the course is offered.
4. Courses approved for grading on a Pass/No Credit (P/N) basis are identified in the Schedule of Classes.
   c. Nothing stated in the above paragraphs shall be construed as constituting support for petitions requesting change of grade in courses taken during or prior to spring term, 1971.

AR 19. Grade Points
Grade points are computed on the basis of:
- 4 points for each credit of A grade,
- 3.7 for each credit of A– grade,
- 3.3 for each credit of B+ grade,
- 3.0 for each credit of B grade,
- 2.7 for each credit of B– grade,
- 2.3 for each credit of C+ grade,
- 2.0 for each credit of C grade,
- 1.7 for each credit of C– grade,
- 1.3 for each credit of D+ grade,
- 1.0 for each credit of D grade,
- 0.7 for each credit of D– grade, and
- 0 for each credit of F.

Marks of I, W, P, N, NG, R, S, U, AUD, WAU, and WC are disregarded in the computation of points. The grade-point average (GPA) is the quotient of total points divided by total credits; total credits are the number of term credits in which grades A, B, C, D, and F are received. Thus a person receiving 1 credit of A, 2 credits of B, 3 credits of C, 4 credits of D, 5 credits of F would have 20 grade points (1 x 4 plus 2 x 3 plus 3 x 2 plus 4 x 1 plus 5 x 0). The grade-point average would be 20 (grade points) divided by 15 (credits) equals 1.33. A C average on 15 credits attempted would require 30 grade points; if the student has 20 points, they are 10 grade points deficient.

AR 20. Repeated Courses
If a student repeats an Oregon State University course, the grade from each attempt will appear on the student’s academic record but only the second attempt will count toward the student’s institutional credits, requirements, and grade-point average. An academic unit may, however, include subsequent attempts after the second attempt to meet individual course degree requirements associated with the baccalaureate core/majors/options/minors/certificates/endorsements. A course may not be repeated on an S/U basis if it was taken previously on a normal grade basis.

AR 21. Honor Roll
At the close of each term, the OSU Registrar publishes a list containing the names of all undergraduate and postbaccalaureate students who for the term have completed at least 12 graded credits with a grade-point average of 3.50 or above.

AR 22. Satisfactory Academic Standing (for Undergraduate Students)
Oregon State University expects students to maintain satisfactory academic progress toward degree completion. At the conclusion of each term, grade-point averages are calculated and academic standings determined for students seeking a baccalaureate degree according to the criteria outlined below. Students whose standings evidence a lack of satisfactory progress will be warned of this condition and advised to seek help from their academic advisors. Any student who is not on Academic Warning, Academic Probation, or Academic Suspension is in good standing.
1. **Academic Warning:** Students with a term GPA below 2.0 will be placed on Academic Warning.

2. **Academic Probation:** Students who have attempted\(^1\) 24 or more credits at OSU and have an OSU cumulative GPA below 2.0 will be placed on Academic Probation. Students who attain a cumulative GPA of 2.0 or better are removed from Academic Probation.

3. **Academic Suspension:** Students who are on Academic Probation and have a subsequent term GPA below 2.0 will be placed on Academic Suspension. Academic Suspension is recorded on the student’s academic record. Students who are academically suspended are denied all the privileges of the institution and of all organizations in any way connected to it, including any university-recognized living group.

4. **Reinstatement to the University:** Suspended students will be considered for reinstatement to the university after two years or completion of a minimum of 24 quarter credits of transferable college-level work at an accredited college or university, with a GPA of 2.5 or above.

The Faculty Senate Academic Standing Committee (http://senate.oregonstate.edu/academic-standing-committee) is responsible for enforcement of the above regulations on Satisfactory Academic Standing. Additionally, this committee has discretionary authority to grant exceptions and to develop guidelines for administering these regulations.

\(^1\) An attempt comprises a final grade in a course where the grade is: A, A–, B+, B, B–, C+, C, C–, D+, D, D–, F, S, U, P, NP, I/Alternate Grade (where the Alternate Grade is one of these grades), W.

**AR 23. Special Examination for Credit**

A regularly enrolled student in good standing, either graduate or undergraduate, currently registered at Oregon State University and wishing credit for an OSU course for which a grade has not been previously received, may petition for credit examination under the following conditions:

1. The application for such examination shall be presented on an Official Student Petition and shall bear the approvals of the dean of the student’s college, the dean of the college in which the course is offered, and head of the department in which the course is offered. Petitions for special examination for credit may be approved or denied at the sole discretion of the department/college or the faculty member offering the course, taking into account both the academic merit of the petition and the department/college’s ability to deploy adequate resources to prepare, administer, and grade such an examination.

2. In no case may such examination be based on work used for graduation from high school, or in a foreign language that is the mother tongue of the applicant, or in courses not listed in the Oregon State University Academic Catalog.

3. Grades earned in special examinations shall be submitted and recorded in the same way as for regularly registered courses, and will count with respect to repeating a course as defined in AR 20.

4. A student may not petition for credit by special examination for a course in any term in which the student is or has been enrolled in the course after the add/drop deadline for that term.

5. An examination for credit will not be approved for courses below the level for which college credit has previously been granted.

6. No examination may be taken until the applicant has received a permit from the Registrar’s Office, for which a fee of $80 will be charged.\(^1\)

\(^1\) As an alternative to departmental examinations, students may seek credit through the College Level Examination Program (CLEP) to the College Entrance Examination Board. CLEP includes nationally normed subject matter examinations and general examinations covering material included in a number of relatively standard courses taught in colleges and universities throughout the United States. Some of these subject matter examinations and general examinations have been accepted by departments at this institution. Policy guidelines have been established that make it possible for admitted and enrolled students to (a) transfer credits earned though these accepted CLEP subject matter and general examinations to this institution, providing certain criteria are met, and (b) earn credits through accepted CLEP subject matter and general examinations providing certain criteria are met. Further information about CLEP may be obtained from the Office of Admissions, B104 Kerr Administration Bldg.

**AR 24. Special Examination for Waiver (Undergraduate Students)**

A student may petition for examination to waive a course under the following conditions:

1. The application for examination to waive a course shall be presented on an Official Student Petition and shall bear the recommendations of the dean of the student’s college, the dean of the college in which the course is offered, and head of the department in which the course is offered. Petitions for special examination for waiver may be approved or denied at its sole discretion by the department/college offering the course, taking into account both the academic merit of the petition and the department/college’s ability to deploy adequate resources to prepare, administer, and grade such an examination.

2. No examination may be taken until the applicant has received a permit from the Registrar’s Office, for which a fee of $80 will be charged.

3. A minimum grade of C (or equivalent) must be attained in an examination for that waiver to be granted.

4. Credit will not be granted for courses waived.

5. This regulation does not invalidate the right of a dean of a college or head of a department to waive a course requirement of their particular college or department, respectively.

**AR 25. Institutional Requirements for Baccalaureate Degrees**

a. **Baccalaureate Core:** Each student will complete the following requirements:

1. **Skills Courses (15 credits)**
   - Mathematics, Writing I, and Speech must be taken and completed satisfactorily within the first 45 hours of OSU-generated credits.
   - Writing II must be taken and completed satisfactorily within the first 90 hours of OSU-generated credits.
   - Fitness (3 credits)
   - Mathematics (3 credits)
   - Speech (3 credits)
   - Writing I (3 credits)
   - Writing II (3 credits)

2. **Perspectives Courses (24 credits)**
   - Physical science (with lab) (4 credits)
Baccalaureate Degrees: All students receiving a BA degree shall have proficiency in a second language, including American Sign Language (ASL), equivalent to that attained at the end of the second year sequence with a grade of C– or better as certified by the School of Language, Culture, and Society. Colleges offering both the BA and BS will have specific requirements distinguishing the two degrees. The college requirements for the two degrees will place comparable demands upon the time and effort of students, and that assessment of comparability will include the foreign language requirement for the BA. Academic units offering both the BA and BS may have specific requirements distinguishing the two degrees.

g. Dean’s certification of fulfillment of all requirements of major college. (For details, see college advisors and deans.)

h. Restrictions: A maximum number of credits may be applied to the Baccalaureate Degree as follows:

1. Transfer from first professional programs such as Law, Medicine, Pharmacy, and Veterinary Medicine: maximum 48 quarter credits.
2. Music courses (applied music): maximum 12 credits. (This restriction is not applicable to majors in music.)
3. Physical activity courses: maximum 11 credits.
4. Courses graded on an S/U basis at Oregon State University: maximum 36 credits.
5. Academic Learning Service courses: maximum 15 credits.

i. Application for a Degree: To become a candidate for a degree, a student must have achieved senior standing and must make formal application for the degree. It is recommended that the student file an application with the registrar three terms prior to the term in which they wish to graduate. The student’s deadline to file an application with the registrar is the end of the second week of the term in which they expect to complete requirements for a degree. [Approved by Faculty Senate 1/8/09.]

1. Lists of approved courses may be obtained from advisors. Approved courses are also listed in the OSU Academic Catalog.

- The grades from all courses taken during the terms that are proposed for academic fresh start will be excluded from meeting institutional requirements and the calculation of institutional units and grade-point average.
- All grades representing the student’s academic history at OSU will appear on the student’s academic record (transcript), but all academic fresh start approved courses will be coded as “excluded” similar to a repeated course. Additionally, a comment of “Academic Fresh Start” will be appended to each term that qualifies under academic fresh start.
